Due to BREXIT, currently scheduled for January 2020, we will make every effort to guarantee this pricing, however, there may be adjustments due to costs related to shipping or tax duties that are beyond our control. We recommend that you make every effort to organize your feed for the Tour before January 10 to avoid any of these issues.

XXVI SUNSHINE TOUR

Feed Pre Order

We want your stay at the Sunshine Tour to be happy and well organized:

- ❖ The Sunshine Tour offers a pre-order service to deliver your feed directly to your lorry upon your arrival.
- ❖ When you arrive, we will give you time to organize your horses and then we will deliver your feed to store in your lorry.
- ❖ This way there are no lost orders and you will have everything under control.

Also, if you use a type of feed not easily available in Spain, this will give us time to organize delivery or let you plan an alternative.

If you want to pre-order your feed, please send the following to contabilidad@sunshinetour.net and mark the email as Pre-Order Feed:

- ❖ Brand name
- ❖ Product name
- ❖ Size of bag or tub
- ❖ Number of units
- ❖ Name of rider/riders
- ❖ Date of arrival (this can be approximate or you can send it to us later if you are unsure)
- ❖ Invoicing information with VAT id number if you have one
- ❖ Name and contact telephone for someone at the show
- ❖ Information, color, identification for lorry

We would like to inform you that this year we will not stock feeding of any of the riders in our warehouse. We will unload trucks with feeding but not before we have a person in charge of the load to tell us where to stock it.
